Happy 2010! The first half of the Scrip year is now behind us. We hope everyone had a wonderful Christmas holiday break. December 2009 was a busy month for the Scrip Office; one of the busiest sales months ever. Scrip statements are being sent home with your child or will be mailed (LSH students). Please review your statement and call the Scrip Office if you have any questions (541-6195). There is less than 6 months left in the Scrip Year (ending June 30th 2010) and plenty of time to either meet your Scrip Obligation or earn tuition credit for next year. If you are a new family or are unfamiliar with the Scrip Program, we are here to help you so don't hesitate to call.

Website: Check us out on the web for updates and Scrip information. I am also excited to announce we are putting together an **Online Business Directory** for Missoula Catholic Schools which will be accessible through the Missoula Catholic Schools website.

Have you ever needed the service of a trusted business professional, but you were not quite sure where to look? Have you wanted to turn to a professional inside our Missoula Catholic School community, but were not sure who that might be? Our **Online Business Directory** will advertise and promote our fellow business providers. Business seekers will be able to turn to a trusted pool of providers and can support these providers by using their services. Businesses will be organized into job types (i.e., doctors, dentists, attorneys, plumbers, accounting, etc). Every business will be allowed to have a logo and/or picture, business information (address, phone numbers, email, website information) and room for a paragraph description of services or educational information. This service is FREE for the businesses that support Missoula Catholic Schools.

If you would like to be a part of the MCS Online Business Directory, fill out the below information and mail to Carla Mendenhall at Loyola Sacred Heart Foundation, 300 Edith, Missoula, MT 59801. A camera ready logo or picture can be mailed or emailed as well. All information provided for the **Online Business Directory** will be verified prior to submission to website. If you choose to email your information to cmendenhall@missoulacatholicschools.org, remember to put GO MCS in the subject line to bypass our spam.
